OWNER'S MANUAL

WWW.BODYSOLID.COM

#### THERE IS A RISK ASSUMED BY INDIVIDUALS WHO USE THIS TYPE OF EQUIPMENT. TO MINIMIZE RISK, YOU MUST FOLLOW THESE RULES:

- Inspect equipment before each workout. Check that all nuts, bolts, screws and pop pins
  are in place and fully tightened. Also, before use, check cables for signs of wear. Replace
  all worn parts immediately. Never use machine if any parts are damaged or missing. FAILURE TO FOLLOW THESE RULES MAY RESULT IN SERIOUS INJURY.
- Keep clear of the cables and all moving parts when the machine is in use.
   Always make sure all Snap Links are closed when doing any cable/pulley/strap exercises. Exercise with care. Perform your exercises at a smooth moderate pace; never perform jerky or uncoordinated movements that may cause injury. It is recommended that you should workout with a training partner.

- Do not allow children or minors to play on or around this equipment. If unsure of proper use of equipment, call your local Body–Solid distributor or the Body-Solid customer service department at 1-800-556-3113.
- WARNING: Consult your physician before starting your exercise program. For your own safety, do not begin any exercise program without proper instruction. RALB-6-03 WC-54

#### **WARNING!**

Safety and Maintenance of Cables

**IMPORTANT:** Cables are wear items. It is your responsibility to prevent unexpected breakage.

Cable inspection should be performed daily.

Inspect all cables, the nylon coating on all cables, and the area near fitting at each end of each cable.

Replace and damaged or worn cable immediately.

Do not allow the machine to be used until damaged or worn cables are replaced. Using or allowing a machine to be used with a suspect cable can result in serious injury. See Owner's Manual for more information.

## PFT50 SAFETY INSTRUCTIONS

### WHEN USING EXERCISE EQUIPMENT, YOU SHOULD ALWAYS TAKE BASIC PRECAUTIONS INCLUDING THE FOLLOWING:

- Read all instructions before using the PFT50. These instructions are written to ensure your safety and to protect the unit.
- Do not remove any safety labels from the machine.
- Do not allow children on or near the equipment.
- Use the equipment only for its intended purpose as described in this guide. Do not use accessory attachments that are not recommended by the manufacturer. Such attachments might cause serious injuries.
- Wear proper excercise clothing and shoes for your workout, no loose clothing.
- Keep hands, limbs, loose clothing, and long hair well out of the way of all moving parts
- Use care when getting on or off the unit.
- Do no overexert yourself or work to exhaustion.
- If you feel any pain or abnormal symptoms, stop your workout immediately and consult your physician.
- Never operate unit when it has been dropped or damaged. Return the equipment to a service center for examination and repair.
- Never drop or insert objects into any opening in the equipment.
- Always check the unit and its cables before each use.
   Make sure that all fasteners and cables are secure and in good working condition.
- Do not use the equipment outdoors or near water.

#### PERSONAL SAFETY DURING ASSEMBLY

- Before beginning assembly, please take the time to read the instructions thoroughly.
- Read each step in the assembly instructions and follow the steps in sequence. Do not skip ahead. If you skip ahead, you may learn later that you have to disassemble components and that you may have damaged the equipment
- Assemble and operate the PFT50 on a solid, level surface. Locate the unit a few feet from the walls or furniture to provide easy access.

The PFT50 is designed for your enjoyment. By following these precautions and using common sense, you will have many safe and pleasurable hours of healthful exercise with your Powerline Functional Trainer.

After assembly, you should check all functions to ensure correct operation. If you experience problems, first recheck the assembly instructions to locate any possible errors made during assembly. If you are unable to correct the problem, call the dealer from whom you purchased the machine or call 1-800-556-3113 for the dealer nearest you.

#### **OBTAINING SERVICE**

Please use this Owner's Manual to make sure that all parts have been included in your shipment. When ordering parts, you must use the part number and description from this Owner's Manual. Use only Powerline by Body Solid replacement parts when servicing this machine. Failure to do so will void your warranty and could result in personal injury.

### PFT50 PREPARATION

#### REQUIRED TOOLS

The basic tools that you must obtain before assembling the PFT50 include but are not limit to:

- Standard Wrench Set
- Metric Wrench Set
- Adjustable Wrench
- Standard / Metric Allen Key Set

#### INSTALLATION REQUIREMENTS

Follow these installation requirements when assembling the PFT50:

Set up the PFT50 on a solid, flat surface. A smooth, flat surface under the machine helps keep it level.

Provide ample space around the machine. Open space around the machine allows for easier access.

For aesthetic purposes, insert all bolts in the same direction unless specified (in text or illustrations) to do otherwise.

Leave room for adjustments. Tighten fasteners such as bolts, nuts, and screws so the unit is stable, but leave room for adjustments. Do not fully tighten fasteners until instructed in the assembly steps to do so.

Fill out and mail the warranty card.

#### ORDERING REPLACEMENT PARTS

If you need to order replacement parts please be prepared to provide the following information when contacting us so that we can assist you better.

- 1. Model Number
- 2. Place of Purchase
- 3. Serial Number (S/N)
- 4. Part # and Description

#### ASSEMBLY TIPS

Read all "Notes" on each page before beginning each step.

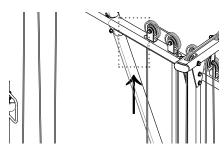

While you may be able to assemble the PFT50 using the illustrations only, important safety notes and other tips may be included in the text.

Some pieces may have extra holes that you will not use. Use only those holes indicated in the instructions and illustrations.

NOTE: With so many assembled parts, proper alignment and adjustment is critical. While tightening the nuts and bolts, be sure to leave room for adjustments.

NOTE: The bottles that are marked "Poison" is your touch up paint. Keep away from children.

**CAUTION**: Obtain assistance! If you feel like you can't assemble the PFT50 by yourself then do not attempt to do so as this could result in injury. Review the Installation Requirements before proceeding with the following steps.
