Product Data Sheet

R55SG

If you are researching Fitnex exercise bikes then you have done your homework! While many people have never heard of the brand, it is one of the best-built, best-priced, best value brands on the market today.

R55SG is a recumbent bike, which means it has a different body positioning than normal bikes. This stationary bikes put the body in a "recumbent" or horizontal position, so that the pedals are at about the same height as the rider's hips.
