## Hoody's Collectibles Consignment Submission Form

### Hoody's Collectibles Consignment Details

- The Rates Shown above are for items consigned with Hoody's. We pay all eBay, Paypal, and shipping fees. The consignor of each card will receive the final sale price minus the consignment rates shown.
- Each individual card we list will be in an auction format and will have an opening bid price of \$0.99.
- All auctions will be set at a minimum of 7 days in duration and will span up to 10 days.
- For maximum exposure to all listings, we will end all items between the hours of 5 p.m. - 9 p.m. PST and no items will end on Friday.
- All Graded, non-graded, and memorabilia pieces are subject to equal consignment rates!
- All payments to consignors will be made via Paypal or check on the 1st and 15th of every month (please allow up to an additional 7 days for check).
- Memorabilia pieces must be certified authentic by a reputable authenticator (JSA, PSA/DNA, UDA, Beckett, Leaf, and Topps).
- Hoody's offers its consignor's the opportunity to have their items authenticated by James Spence Authentication (JSA) for a small fee. Once the items pass the authentication process they will be for consignment (if they do not pass, items will be recycled or sent back to the customer for a fee).
- Hoody's Collectibles reserves the right to reject any submission at our discretion. This can include items in less than sellable condition or items of low sales value which will not garner a bid/not suitable for auction.
- All auctions will start at \$0.99 and run as a 7-10 day auction. All items that do not garner a bid at \$0.99 will be relisted one time and if they do not sell a second time around, the items will become the property of Hoody's Collectibles and will not be relisted again.
- While we make every effort to make sure all items are paid for, there are several factors out of our control with regard to non-paid items and returns. In the event of an unpaid item or return, said item(s) will be automatically relisted within 14 days.
- With regards to eBay's Authenticity Guaranteed program, Hoody's Collectibles reserves the right to withhold payout on any item until it has completed the authentication process. Furthermore, any item that does not pass the authentication process and is returned to Hoody's Collectibles due to questionable authenticity, being altered/trimmed, or having a serious condition defect, will be returned to the consignor.

## Packing & Shipping

Please ship all items in a protective case and/or sleeve. Once the cards are put in top loaders, we suggest consignors put all items in "team bags" so there is no chance of the cards being "thrown" around during shipping.

**Shipping Address**  
8602 SW Hall Blvd  
Beaverton, OR 97008

Shipping Services: We recommend shipping large lots of items in "Priority flat rate boxes" from USPS. This will minimize shipping costs and allow consignors to ship a large amount for a minimal shipping price. Expedited shipping services are always preferred for security and efficiency. **Regardless of which courier you choose, ALWAYS send a package with a tracking number and required signature upon delivery.** Do not hesitate to contact us for shipping recommendations.
