SHURETECH® BENCH SYSTEM

Features

LOWER BENCH CABINETS are modular, stationary units and can be arranged in any combination

- All lower cabinets are stationary and 27 3/4" D
- All lower cabinets are approx. 39 1/2"H. (Height includes leg levelers and bench top)
- Bench tops are stainless steel and 29"D
- All lower cabinets contain a 3/4" recessed base

1. Tool Cabinets

- Full-extension drawers with 400 lb. capacity
- Locks and drawer liners are standard

2. Storage Cabinets

- Adjustable shelf
- Swing-out doors with locks

3. Utility Cabinets

1. **In-ground Lift Power Unit Concealment Cabinet**
2. **Cart Locker Cabinet** - Secure and store your Mini Tech Cart - sold separately
3. **Trash Cabinet** with trash receptacle included
4. **Reel Cabinet** to conceal service reels (air, water, oil, electric, light)
5. **Sink Cabinet** - Includes stainless steel sink with faucet and trash receptacle

UPPER STORAGE CABINETS have open back with mounting stringer and can be arranged in any combination

- Upper storage cabinets are wall-mounted, approx. 15"D and 18 1/2"H
- Flip-up door with gas spring shocks
- All cabinets have locks and can be keyed alike per bay upon request

2' Computer Monitor Enclosure is available to contain flat screen or CRT monitor. (Up to 17" monitor)

- Retractable door sold separately. Lock not included
- Knock-outs are included on cabinet sides and bottom shelf to pass cables
- Articulating keyboard and mouse pad stand are included as a standard component

BENCH TOPS are stainless steel over wood core, available in various lengths and are ordered separately

- Stainless steel over wood core is 1 5/32"H x 29"D creating a slight overhang in front of cabinets

UTILITY CHASE PANELS are available in various lengths, 22 1/2"H and are available in stainless steel or painted steel

The **SHURETECH® Bench System**

integrates tool and storage cabinets with a large work surface. Various lengths are available to meet any shop's individual requirements. Combine SHURETECH® cabinets to **CUSTOMIZE** your desired bench length. Add upper cabinets, computer technology centers, utility chase panels, technician task lights, vises, Shureguard rubber mats and tech carts to design the most efficient and organized workstation for your shop.

*Sahara Gold & Silver Mirror are not available as the PRIMARY COLOR. The images and colors illustrated in this catalog are representational only and may vary from actual powder coat paint color. **Contact Shure for color samples.**

TERMS AND CONDITIONS

The following contains the general terms and conditions between Shure Manufacturing Corporation and its customers and involves a two way commitment and understanding of requirements.

PRICES AND CONDITIONS

The prices and specifications shown herein are subject to change without notice, except when covered by specific contracts. Prices in effect at time of shipment will apply. All orders are subject to acceptance by Shure Manufacturing Corporation, prior to sale and to availability of materials. In addition, orders are accepted subject to strikes, accidents and other delays unavoidable or beyond our control. Clerical errors are subject to corrections. Items are subject to cancellation by Shure Manufacturing Corporation without notice.

QUOTATIONS

All quotations made are informational only and do not constitute a contract. Prices are based upon our understanding of your requirements and specifications.

TAX

Federal, municipal, state sales and/or use taxes will be charged where applicable unless your tax exemption certificate is furnished to us.

CREDIT TERMS

Regular terms of sale are cash in advance. However, a customer's credit rating or credit experience may be satisfactory for open account transactions. New customers wishing to apply for an open account should submit a credit application with the most recent audited financial statement and four current trade references. Contact Shure to receive a credit application. Banks do not make suitable trade references. Allow sufficient time for credit check. The minimum order charge is \$15.00. Shure will accept credit cards (Visa & MC), and all credit card charges in excess of \$3,000 will be subject to a 3% convenience charge. Orders for "Custom Manufacturing" or "Engineered to Order" may require an advance payment deposit or complete payment prior to shipment. Shure's quotation will specify the deposit requirements. These orders are non-cancelable after production has begun and are non-returnable. Shure's sales quotations will outline the advance payment requirements.

INTERNATIONAL CREDIT TERMS

International exports will require full payment in advance of shipment unless otherwise negotiated and agreed to by Shure.

SHIPMENTS

All shipments are made F.O.B. Shure Manufacturing Corporation, 1301 West Main Street, Washington, MO 63090. Transportation charges will be prepaid and added to your invoice unless otherwise requested and agreed upon. A service charge of \$10.00 will be added for all prepaid shipments. At times it becomes necessary to back-order items to give you the best service. We do not assume any responsibility for extra transportation charges. All shipments include the necessary hardware to completely assemble each unit.

CANCELLATIONS

Orders cancelled after being entered and are in the process of being manufactured are subject to a cancellation charge. Engineered to order "custom manufacturing requests" are non-cancelable.

RETURN SHIPMENTS

Return shipments will not be accepted without written authorization from the company. Returned merchandise is subject to a minimum 15% handling and restocking charge, plus necessary repair and/or refinishing costs. No cash refunds. Reimbursements will be given as credit to customer's account. All return shipments must be shipped freight prepaid.

DAMAGED SHIPMENTS

All Shure products are carefully and securely packed in accordance with carrier requirements. The receipt of our merchandise by the transportation company ends Shure's responsibility. However, for your protection, before accepting any shipment, examine it carefully. If there is evidence of damage or shortage, insist that the delivering carrier make suitable notation to that effect on the freight bill before signing. If, after receipt of shipment, concealed damage is discovered, notify the carrier immediately. Caution: When you give the delivering carrier a clear receipt for a shipment in which there is damage or shortage, the carrier is relieved of further responsibility. Any claim for damage, shortage, loss or delay must be filed by you with the delivering carrier within ten days of receipt of shipment. Your recourse is with the delivering carrier.

EQUIPMENT WARRANTY

Shure Manufacturing Corporation extends to the original purchaser of Shure products, a lifetime warranty against manufacturing defects in material and / or workmanship. If it is determined that a product, part or component is defective due to manufacturing defects in material and/or workmanship, it will be repaired or replaced at Shure's discretion. It is expected that the products are to be utilized for their intended purpose under normal workplace conditions. Products that have been subject to abuse, misuse, negligence, or have been damaged in shipment, storage or installation, or have been used outside their intended purpose, or have been modified in any manner, will void this warranty. Shure's standard 13-month warranty will apply to all purchase parts and components including (but not limited to), gas shocks, locks, keys, door hinges and other various components. This warranty does not include the cost of any labor or other costs incurred pertaining to routine service, maintenance, installation, removal, replacement, shipping or handling of any defective or replacement parts or complete units. This warranty is exclusive, and exists in lieu of all other warranties, either expressed or implied. All claims for warranty service must be submitted in writing. Provide a copy of your purchase record and a written description of the warranty problem.

ORDER DELAYS

Any order that production has begun may be subject to warehouse storage fees.

CUSTOMER INITIATED ORDER REVISIONS

Customer initiated order revisions will be reviewed on a case-by-case basis to determine if additional charges or manufacturing lead time extensions are required. Contact your Shure Regional Sales Manager with any questions regarding order revisions.

CUSTOMER INITIATED SHIPPING DELAYS

Customer initiated shipping delays within 14 days of the originally established shipping date will result in an invoice issued for payment. The invoice will be issued on the originally established shipping date with actual freight charges to be billed after the order is shipped. Additionally, storage charges will apply for all orders delayed greater than 14 days from the originally established shipping date.

REQUEST FOR A RETURN OF GOODS

Shure will not accept any returned shipments without pre-authorization by Shure. Requests to return products will be reviewed and determined on a case-by-case basis. All Shure orders are painted to customer's purchase order specifications and generally "configured" to the customer's facility requirements. Any authorized returned products are subject to a restocking and handling charge, plus any necessary repair and/or refinishing costs. There are absolutely no cash refunds. Any authorized refunds will be issued as a credit. Any authorized return shipments must be shipped directly to Shure's Washington, Missouri location freight prepaid.

DELIVERY INTERVAL

Shure Manufacturing Corporation is committed to providing high quality products and appreciates receiving purchase orders with sufficient production lead-times. All Shure Manufacturing Corporation products are considered "Custom Manufactured" as all products are painted to order. Manufacturing and production lead times and deliver intervals vary by product type, quantity ordered and current production schedule. Requests for expedited delivery intervals will be evaluated on a case-by-case basis and are dependent upon product type, quantity ordered and current production schedule. Note: Product design and specifications of all products in this catalog or quote are subject to change without notice.

INVOICE PAYMENT

Shure invoices are payable in US Dollars.
