

MODEL 20 - BENCH MODEL

This TrincoTM Bench Model is ideal for cleaning small parts. It has all of the features of a full size cabinet, yet doesn't require the space. The standard TrincoTM gun system is rated at 14 CFM, 60 PSI.

Another convenient option is a TrincoTM work stand that is 24" high and contains a swing-up shelf, and a slide-out tray for disposing of spent media.

The TrincoTM Bench Model can be purchased separately or with the work stand.

OTHER OPTIONAL ACCESSORIES:

Pencil gun, Water filter, Blow off gun,
Spare parts package, Abrasives

Trinco Bench Model
