

# Brooklyn AC

LED Task Lamp

User Guide

Read all instructions prior to using your new product.

## ASSEMBLY INSTRUCTIONS

- Remove the protective plastic film from the base of the lamp to reveal the stabilizing pad.
- Clean the intended installation surface to remove dust or particulates. If bottom of lamp loses its stickiness, it can be cleaned with a damp cloth.
- An integrated tripod screw receiver is also included, for a more permanent installation.

## USING YOUR LUX BROOKLYN AC LED TASK LAMP:

- Turn the light on by touching the power button on the front of the lamp.
- Press the power button again to cycle through the three brightness levels (570, 230, 30 lumens).
- When using the lamp to charge your devices, unplug the devices once batteries are full.

## SAFETY INFORMATION:

- The flexible external power supply cable cannot be replaced; if the cable is damaged the entire lamp must be replaced.
- For indoor use only; do not use outdoors or in damp locations.
- Switch the lamp off before disconnecting the power.
- Do not look directly at the LEDs when they are illuminated.
