## LA BREA PENDANT

The LUX La Brea LED Pendant Light is constructed from cast concrete with a polished copper cap. The striking charcoal finish is intended to bring dramatic design contrast to a warm 2,000K LED filament bulb. The fixture can be used with any E26 style bulb, though it is specifically designed to take the LUX LED bulb pictured.

FINISHES: Charcoal and Polished Copper

- Up Lumens | Bulb dependent
- Down Lumens | Bulb dependent
- Color Temp | Bulb dependent
- CRI | Bulb dependent
- Efficiency | Bulb dependent
- Input Voltage | 100 - 240
