CURRENT OBSESSION: 8 SUMMER STYLE+BEAUTY MUST-HAVES

S

pring and summer usher in balmy temperatures, giving us permission to show more skin and introduce classic color into our everyday repertoire. No matter what your everyday includes, step up your style-beauty routine. Check out some of our current obsessions for inspiration, featured on abc-tv. Birmingham.

Marlowe Moisturizers – Growing up with dry skin forces you to try everything on the shelf to keep your skin from being desert dry. We're pouring out Lubriderm.Curel and everything else except Marlowe. It's the healthlest moisturizer-body souffle's you'll smooth on this summer. Whipped with vitamin extracts and Mother Nature's best, it's paraben-free and fitting for any skin type. \$3.99-\$5.99. Target.
