CURRENT OBSESSIONS: 10 STYLISH+SMART TRAVEL ESSENTIALS

Marlowe Travel-Size Lotion- Dry skin since birth has forced me to try nearly everything on the shelf. Finding the right combination of moisture, without feeling weighted down by liquid, has been nothing short of a challenge. Summer months, hot climate or wet humid air, could make your skin dazed+confused but Marlowe moisturizes glide on the perfect soothe! They are free of chemicals, parabens and all the bad stuff and pumped full of vitamins, aloe and amino acids to make your skin happy chic. The 2oz. size packs perfectly in your carry- on or handbag, \$3.99, [Target](#).
