SPRING - SUMMER 2016

HOMME

MARLOWE.

As men start to become more conscious in appearance, lifestyle brands have continuously and constantly create products that would adapt to the individuals' daily activities. But the one area of a man's regimen that hasn't been overlooked most recently is grooming. From beard oil concoctions to anti-aging creams, you can say that the term metro-sexual (if we still use that) has been heightened to a totally different level. One thing that today's man is focused on when looking for that particular grooming product is the benefit! What is their to gain from it and also the quality..Simple and the truth right? Well guys, we got you covered with Marlowe.™.

A high-quality skincare line that's socially-conscious that's infused with ingredients from around the globe. This unisex brand features the proprietary Marlowe. M Blend™, containing 4 key extracts that were precisely selected with benefits to offer high moisture, skin soothing properties and skin regeneration and protection.

- **PASSIFLOWER FRUIT EXTRACT** – High in Vitamin C and Iron to aide in skin restoration and moisture
- **GREEN TEA EXTRACT** – Rich in antioxidants to help fuel skin cell repair and protect from environmental stresses
- **WILLOWBARK EXTRACT** – Calming properties to help reduce inflammation and soothe irritated skin
- **DEEP SEA ALGAE EXTRACT** – Nutrients extracted from deep ocean waters to help soothe sensitive or inflamed skin

Made in the USA, this new premium skincare brand is not only paraben and phthalate free but is aimed to help the world become a better living environment. Since their launch, Marlowe.™ has partnered with Clean the World to support disease prevention through hygiene and sustainability initiatives.

This line is exclusively sold at Target and Target.com, so you know what that means guys....it's AFFORDABLE!! Many of times, we think that price reflects the benefits of the product when actually its the quality that matters most, but price friendly doesn't hurt either. And with it's elevated and sleek packaging, you wouldn't mind leaving it out on the bathroom sink, right?
