

Beauty Launches You Probably Can't Live Without

If you're like us, new beauty products get you psyched beyond belief. Here's what we're freaking out over of this month. By Jillian Ruffo

MARLOWE SKINCARE

Forget about your boyfriend stealing your beauty products — now he can share with you! This brand new Target-exclusive line of unisex products is so good, you'll want to claim them as your own (we're particularly loving the body soufflé).

Buy It! Marlowe, [target.com](https://www.target.com)
