# LT Detergent

## Low Temp Dishwashing Detergent

*Non-Foaming • For Use in Mechanical Dishwashing Machines •*

### Description

---

LTD Red is specially formulated for use in mechanical dishwashing & glass washing machines and automatic hood washers. This non-foaming product is safe to use on ceramics, glass, plastic ware and ferrous metals, when used according to directions. HT Detergent rapidly removes heavy soils, has water hardness tolerance and helps prevent lime and scale build-up on equipment.

*Sizes: 4x4L; 20 litre; 210L*
