

# Features

Stay in touch with loved ones by making and receiving calls directly on your SPACETALK Life watch.

Send and receive regular SMS, or use template text messages provided.

If required, an SOS button located on the side of your device will activate a distress alert, and automatically send your location and dial your trusted contacts.

Share your location by simply tapping "Locate Me"

Safety Callback allows trusted contacts to reach you in case of emergency.

Stay fit while tracking your daily step count and checking your activity history.

Keep organised, with reminder alerts and alarms

Set up alerts that notify trusted contacts if you leave pre-nominated safe zones.

YOU MUST NEVER SOLELY RELY ON THE INFORMATION GIVEN BY SPACETALK TO FORM AN OPINION ABOUT THE WEARER'S SAFETY.

# Quickstart Guide

# Getting Started

Your SPACETALK Life watch will require an activated nano-SIM card from a provider operating on a 3G/4G mobile network. Instructions on inserting your SIM card are included later in this guide.

At least one of your trusted contacts will be required to download the AllMyTribe app onto their iOS® (Apple) or Android™ smartphone. They then simply follow the prompts to create a new account and pair it to our device.

Download the AllMyTribe app to setup your watch

For a list of recommend SIM providers or further support, please visit our website.

# What's Included

- 1 x SPACETALK Life Watch
- 1 x SPACETALK Life Charging Dock
- 1 x Micro-USB to USB-A Cable
- 1 x SIM Cover Removal Tool
- 1 x Quick Start Guide
- 1 x Warranty Card

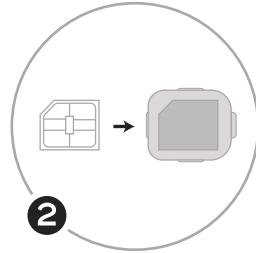

## Charging your SPACETALK Life.

Place your watch on the charging dock provided. Next, connect the dock to a USB power source (like a phone charger or computer) with the USB cable provided. The LED on the dock will glow red and the screen will illuminate to indicate your SPACETALK has begun charging. When the LED changes to green, your watch is fully charged.

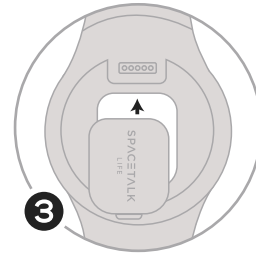

# Inserting your SIM

Using the tool provided, carefully remove the SIM Cover located on the back of the watch.

Insert your nano-SIM into the bottom of the SIM Cover, ensuring the gold contacts face upwards.

With the SIM firmly in place, re-insert the SIM Cover starting from the top tab, followed by clicking the side tabs into place.

**That's it! You're ready to go.**

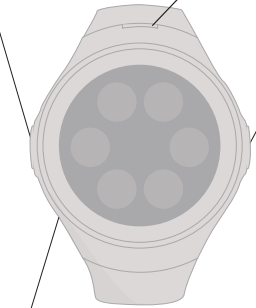

If you require further assistance please contact our customer support.

# Get to know your SPACETALK

## SOS Button

Tap the SOS Button while navigating to return to the previous menu.

**Press and hold** the button in an emergency to activate the SOS function.
