

## RETURNS FORM

### Instructions

1. Please contact SPACETALK Support by telephone or email prior to completing this form. Our support team will assist you, and if necessary, issue you with a return material authorisation (RMA) number. Subject to the Australian Consumer Law, SPACETALK reserves the right to reject returns if an RMA number has not been obtained, or if this form has been incorrectly completed.
2. Complete this form and attach the original proof of purchase.
3. Carefully package the items and return to SPACETALK Customer Support at the address indicated above.
4. It is your responsibility to ensure that all details listed on this form are accurate as these will be used to contact you and to return your SPACETALK.

Please note: Settings and configuration may be lost during the repair process. In some cases, these may be retrieved through the AllMyTribe app if you have performed a backup. It is your responsibility to ensure that all personal data is deleted before the product is returned to SPACETALK. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.

### RMA

RMA Number:		Date:	__/__/__
Return Type:	Warranty <input type="checkbox"/> Out-of-Warranty <input type="checkbox"/> Refund <input type="checkbox"/> Other <input type="checkbox"/>
