From Dani @ Dani Lombard Public Relations:
Gifting/Dressing Opportunity

WE  TEST

We Test® is now available for sampling opportunities with like-minded health and wellness brands, influencers and celebrities.

We Test®, Australia's first approved, at-home urine test, allows you to instantly test your urine and get information about your health and wellbeing. Each test strip checks 11 different parameters including hydration, glucose and pH among others.

If of interest, please get in touch!
