

## Drawer Assembly Manual

*Spring 2018*

Your box should contain the following:

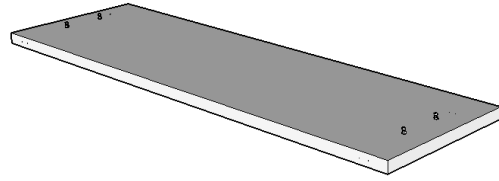

- 1 x base with sides
- 1 x back panel
- 1 x front
- 1 x handle (optional)

In the unlikely event any parts should be missing, please contact our customer service team immediately.

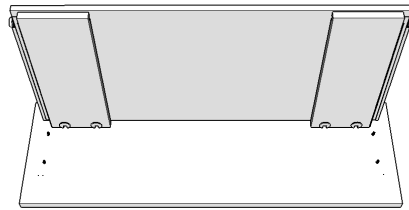

### Assembly tips

- Create a clear area in which to assemble the furniture - as close as possible to it's final location
- The packaging box makes a great floor protector
- If you have any questions feel free to give our team a call on 02070 432199

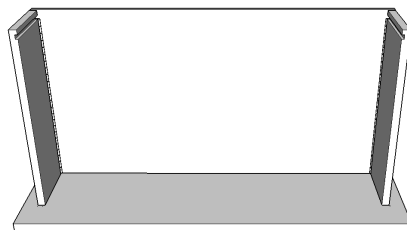

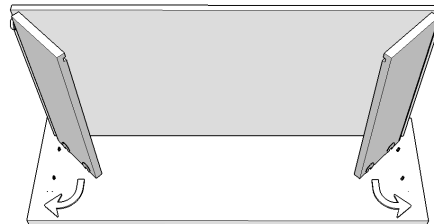

**1** Lay the drawer front flat with the pegs facing up

**2** Place the drawer base onto the drawer front

**3** Open the drawer sides so that the pegs lock into the drawer side connectors

---

**4** Slide the back panel  
into the drawer sides
