

# PALM

USER'S GUIDE

## 1 Step1

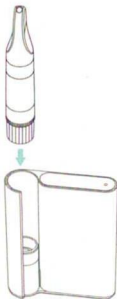

- Charging: LED indicator is on continuously.
- Fully Charged: LED indicator blinks for 20 times, then goes off.
- Low Battery: LED indicator blinks for 10 times, then goes off. PALM stops working.
- Charging Time: 1 hour

**Cartridges need to be purchased separately.**

Recommended to work with CCELL® cartridge to reach best performance.

## 2 Step2

## 3 Ready to Use ( Inhale Activated )
