

ALA TEAK

If its made in teak, we make it look good

ABOUT US

Every beautiful home needs equally stunning Bathroom and outdoor teak furnitures.

Here at Alateak, we provide you with numerous selections to select. As a matter of fact, we have the biggest collection! Some of our designs as listed in pages.

All of the Alateak products are environment friendly produced.

ALA-TEAK is one of the Highest Quality Teak Wood Furniture Manufacturer. Our Main Office located in New Jersey .

► **Teak**

- **STYLE WITH SUBSTANCE:** This chic teak bath stool combines clean lines with a sturdy design for lasting style and durability. The neutral rich brown stain of this small wood stool complements a range of décor schemes with ease.
- **UNIQUE TEAK:** This shower stool is crafted from 100% solid teak wood that is sustainably harvested and environmentally friendly. Natural water resistance ensures this attractive shower chair will maintain its elegant good looks for years to come.
- **READY TO USE:** This teak stool table comes fully assembled for your convenience. Simply place the small wood stool inside your shower or anywhere else in your home and start enjoying it without any additional work or hassle.
- **BUILT TO LAST:** This shower bench is built with extra thick Grade A quality teak for a strong and stylish finish that will last for generations. All of the hardware on this teak stool table is non-corroding stainless steel for safety and stability.
- **INDOOR OR OUTDOOR:** Versatile and durable, this teak stool table works indoors and outdoors, wherever you require additional seating or storage. It makes a convenient shower stool in a bathroom, a handy extra seat on a patio or a stylish pool accent.
