HI SUMMER '20

SUMMER OF SIRENS

Summer 2020. An unforgettable time we are living.

A cheerful note of optimism is my intention with this collection. To highlight the joy of wearing color, to celebrate diversity, and reconnect with the outdoors as the world slowly begins to re-open.

To celebrate all stages of life- both young and wise. To dial back, tune out, reflect, and remember to feel. To creating safe spaces for self- expression.

To know our truth.
To see our truth.
To speak our truth.
To feel our truth.
To walk our truth.

A woman with dark hair, wearing a yellow bikini, is sitting cross-legged on a large piece of driftwood on a sandy beach. She is looking towards the camera with a slight smile. The background shows a clear blue sky and the ocean. A large palm frond is visible in the upper left corner, and a colorful, abstract light effect is in the upper right corner.
