

20oz MK-20 Foam Aerosol Projector

Cross Contamination Reducing Delivery Systems

Height	11.87"	30.10 cm
Width	2.50"	6.40 cm
Firing Mechanism	Pistol Grip with Pull Ring Safety	
Warranty	5 Year Shelf Life	
Canister Material	Seamless Aluminum Rated 2Q	

MK-20 Titan Target Specific Foam: This unit is special when it comes to stopping cross contamination or migration in either crowd control or for specific targeting. The foam delivery system covers the target(s) in light foam that sticks to the individuals so that nearby neutral parties are not affected. **MK-20 Foam** is perfect for indoor environments like security check points, malls, and airports where cross contamination is a major concern.

Accessories

Drop-Leg MK-20 Holster: With the drop-leg holster, the MK-20 unit can be tightly secured and worn along the outer thigh for easy tactical transitions. **Stock No: WEB20-DL**

Formulation: Oleoresin Capsicum (OC) combined with a **Non-Flammable carrier**. Guardian Protective Devices™ sprays are safe for use with Electro Muscular Disruption (EMD) technology, such as Taser™. UV dye added for easy identification, putting the subject at the scene of incidence.

OC + CS blends are available, custom blends upon request to meet your department requirements.

Safety: The pistol grip uses a state of the art pull pin which secures the trigger, to prevent accidental discharge. The contour on the pistol grip allows for a steady comfortable grip allowing target acquisition.

Labeling: All canister labels are wearing water-resistant and contain the following data:

- Individualized Serial Numbers
- Active Ingredient
- Date of Manufacture
- Lot / Batch Number
- Stock Number
- Decontamination Instructions
- Date of Expiration

Packaging: Department of Transportation (DOT) approved commercial packaging.

MAC 7 and Inert Products work with personnel within various areas of conflict to bring forth the most up to date and complete training packages available today. Backed by Inert Products' vast training aid inventory, there is no other course offered today with comparable benefits.
