MK-9 Vapor: The MK-9 with the Vapor delivery system helps implement a wide dispersal pattern to take on large groups of combatants. It's useful for pre-entry situations and area denial against the enemy. The Vapor pattern is also great for clearing larger cells or prison day rooms. When it comes to crowd control the **MK-9 Vapor** is the best tool for the job. Recommended carry is a thigh holster or tactical vest for quick deployment.

Accessories

Hose and Wand Adapter: With the wand attachment the user can apply controlling force under doors, cell openings, holes, windows and etc. It is excellent tool for Corrections, Swat and Military teams. **Stock No: CE-WAND**

Drop-Leg MK-9 Holster: With the drop-leg holster, the MK-9 unit can be tightly secured and worn along the outer thigh for easy tactical transitions. **Stock No: WEB9-DL**

Formulation: Oleoresin Capsicum (OC) combined with a **Non-Flammable carrier**. Guardian Protective Devices™ sprays are safe for use with Electro Muscular Disruption (EMD) technology, such as Taser™. UV dye added for easy identification, putting the subject at the scene of incidence.

OC + CS blends are available, custom blends upon request to meet your department requirements.

Safety: The pistol grip uses a state of the art pull pin which secures the trigger, to prevent accidental discharge. The contour on the pistol grip allows for a steady comfortable grip allowing target acquisition.

Labeling: All canister labels are wearing water-resistant and contain the following data:

- Individualized Serial Numbers
- Active Ingredient
- Date of Manufacture
- Date of Expiration
- Lot / Batch Number
- Stock Number
- Decontamination Instructions

Packaging: Department of Transportation (DOT) approved commercial packaging.

MAC 7 and Inert Products work with personnel within various areas of conflict to bring forth the most up to date and complete training packages available today.

Backed by Inert Products' vast training aid inventory, there is no other course offered today with comparable benefits.
