Model No. 2076

## DESIGN GINO CAROLLO

The extra-ordinary high sitting comfort is achieved by the flexible backrest with a new variant, softly upholstered at seat and back. This chair from glove-soft leather is suitable for living as well as object areas. For the cover 2 high-quality leather collections with a total of 77 colors are available. The backrest is available in 2 heights. Standardly the legs are covered with leather. The legs are available in polished chrome, matt chrome colored, dark bronze or black laminated. In the IMM 2018 we presented that chair also with wooden legs.
