ANTONELLO MOSCA 2015/2016

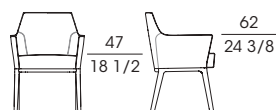

Poltroncina con la struttura in Polimex (materiale composito poliestere/poliuretano) con imbottitura in poliuretano espanso flessibile, rivestito in fibra. La base è in massiccio di noce canaletto o in acero massiccio lucidato. Il cuscino seduta è in poliuretano espanso flessibile a quote differenziate, mentre il rivestimento in tessuto o pelle è sfoderabile, con profilo sempre in pelle con colore a scelta.

Small armchair with the frame in Polimex (composite polyester/polyurethane material) and the padding in flexible coldfoamed polyurethane, covered with fibre. The base is in solid walnut canaletto wood or in polished solid maple. The seat cushion is in flexible multi-density polyurethane, while the fabric or leather upholstery is completely removable, with always a leather piping available in various colour shades.
