

Bruco

design : Campana

Seat with symmetric side backrests.

Padding: expanded polyurethane mixed with Aerelle® blue polyester fibre, fixed foam covering in waterproofed polyester.

Upholstery: removable, in Tamil fabric coupled with three-dimensional black polyester fabric.

The upholstery is decorated with machine embroideries and stitching that involve the use of yarn leftovers from the processing of outdoor fabrics in the collection.

The yarns are arranged in such a way as to form geometric decorations or stylized flowers.

Notes:

For better stability, the seating is ballasted with sandbags.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
