Indoor seating with symmetric side backrests.

Padding: recyclable expanded polyethylene mixed with Aerelle® blue polyester fiber, fixed covering in three-dimensional polyester fabric.

Upholstery: removable, made by sewing together elements in Paola Lenti Felt with ZigZag stitch, which are then decorated machine embroideries.

Notes: for better stability, the seating is ballasted with sandbags.

Awards: the Metamorfoosi collection has been awarded the Green GOOD DESIGN AWARD 2023.
