

## Chromatic

design Piero Lissoni

Sofa with supporting frame in oak with acrylic painting, natural polished or charcoal stained. Backrest support in preformed poplar plywood. Seat chassis in lacquered steel and cross-woven, coated rubber elastic straps, padded in polyurethane foam and covering in 100% polyether thermally bonded onto a polyamide velveteen backing. Seat cushions in differentiated density polyurethane foam coated with acrylic fibre layers. Backrest cushions in prewashed and sterilized goose down, stitched into separate compartments with insert in polyurethane foam. Supporting pillows in prewashed and sterilized goose down, stitched into separate compartments. Fabric or leather upholstery, both fully removable by zippers and Velcro fastenings. All seams are enhanced by piping in the same fabric or leather.

Seat depth 72cm.
