2022 SJOERD VROONLAND

## DESIGN INSPIRATION

Sjoerd Vroonland generally works in wood and is a master of innovative construction. This time, he opted for a metal frame, with a table top consisting of two parts. Sjoerd loves to see and to show how one material grabs hold of another. So the metal embrace leaves the clamp, which gave 'Clamp' its name, in plain sight. The combination of marble and wood—mostly from off-cuts, for optimum sustainability—is selected by you. Be your own designer!

## DESIGNED BY SJOERD VROONLAND

Sjoerd Vroonland (1985) studied at the Wood and Furniture College in Rotterdam and also graduated from ArteZ Academy, specializing in product design. Today, Vroonland runs his own label from his atelier in Amsterdam. His innovative products are inspired by classic designs and are created using materials, techniques and shapes that we are all familiar with. From the archetypal saddle to the antique clothespin, Vroonland uses the best features of timehonoured design and finds new ways to apply them, combining contrasting materials. Instead of hiding all the 'technical' details, the designer focuses on the beauty of structure and construction: the materials are uncompromised and the line of work can be clearly seen. The result is a pure and poetic dialogue between craft, innovation and modern-day living.

## MAINTENANCE

All LINTELOO furniture has been made with love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at [linteloo.com](http://linteloo.com). Detailed information on care and cleaning, including the recommended products, can also be found at [linteloo-care.nl](http://linteloo-care.nl).

**Solid wood:** Wood is a natural product, which may scratch, shrink and expand. Keep this to a minimum by using coasters, by not putting wooden furniture too close to a heat source, and by keeping your home at a 50-60% humidity level. Oil-treated woods benefit from regular nourishment. Varnished or painted woods can simply be wiped down with a damp cloth.

**Legs:** The occasional wipe-down with a damp cloth is all it takes.

## WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).

- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.

- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).

- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at [www.linteloo.com](http://www.linteloo.com).
