

Cliff

Una collezione modulare di letti, versatile e ricercata sia nella struttura che nel dettaglio, all'insegna della massima libertà compositiva, con testiere e basi personalizzabili in un'ampia gamma di dimensioni, finiture e complementi. Una struttura a L funge da testiera e supporta la base del letto: i piani orizzontali possono essere utilizzati come appoggio per riporre libri o altri oggetti, oppure si può optare per la ricca serie di accessori disponibili in collezione; inoltre testiera e basamento possono essere mono-materici oppure realizzati in materiali differenti, per un progetto zona notte monocromatico oppure visivamente più ricco.

A collection of modular beds, rich and refined in terms of both structure and details: it allows the utmost compositive freedom with its headboards and bases available in a wide selection of dimensions, finishes and accessories. The L-shaped structure is the bed base and supports the headboard: the horizontal panels on both sides of the bed can be used to stack books or to place lamps, or may be completed with one of the many complements. The entire range is about flexibility, even in the finishes: headboard and base can be either manufactured in the same material or with different ones for a visually, extremely rich solution.
