Diagonal Outdoor Pool Table · Yonoh

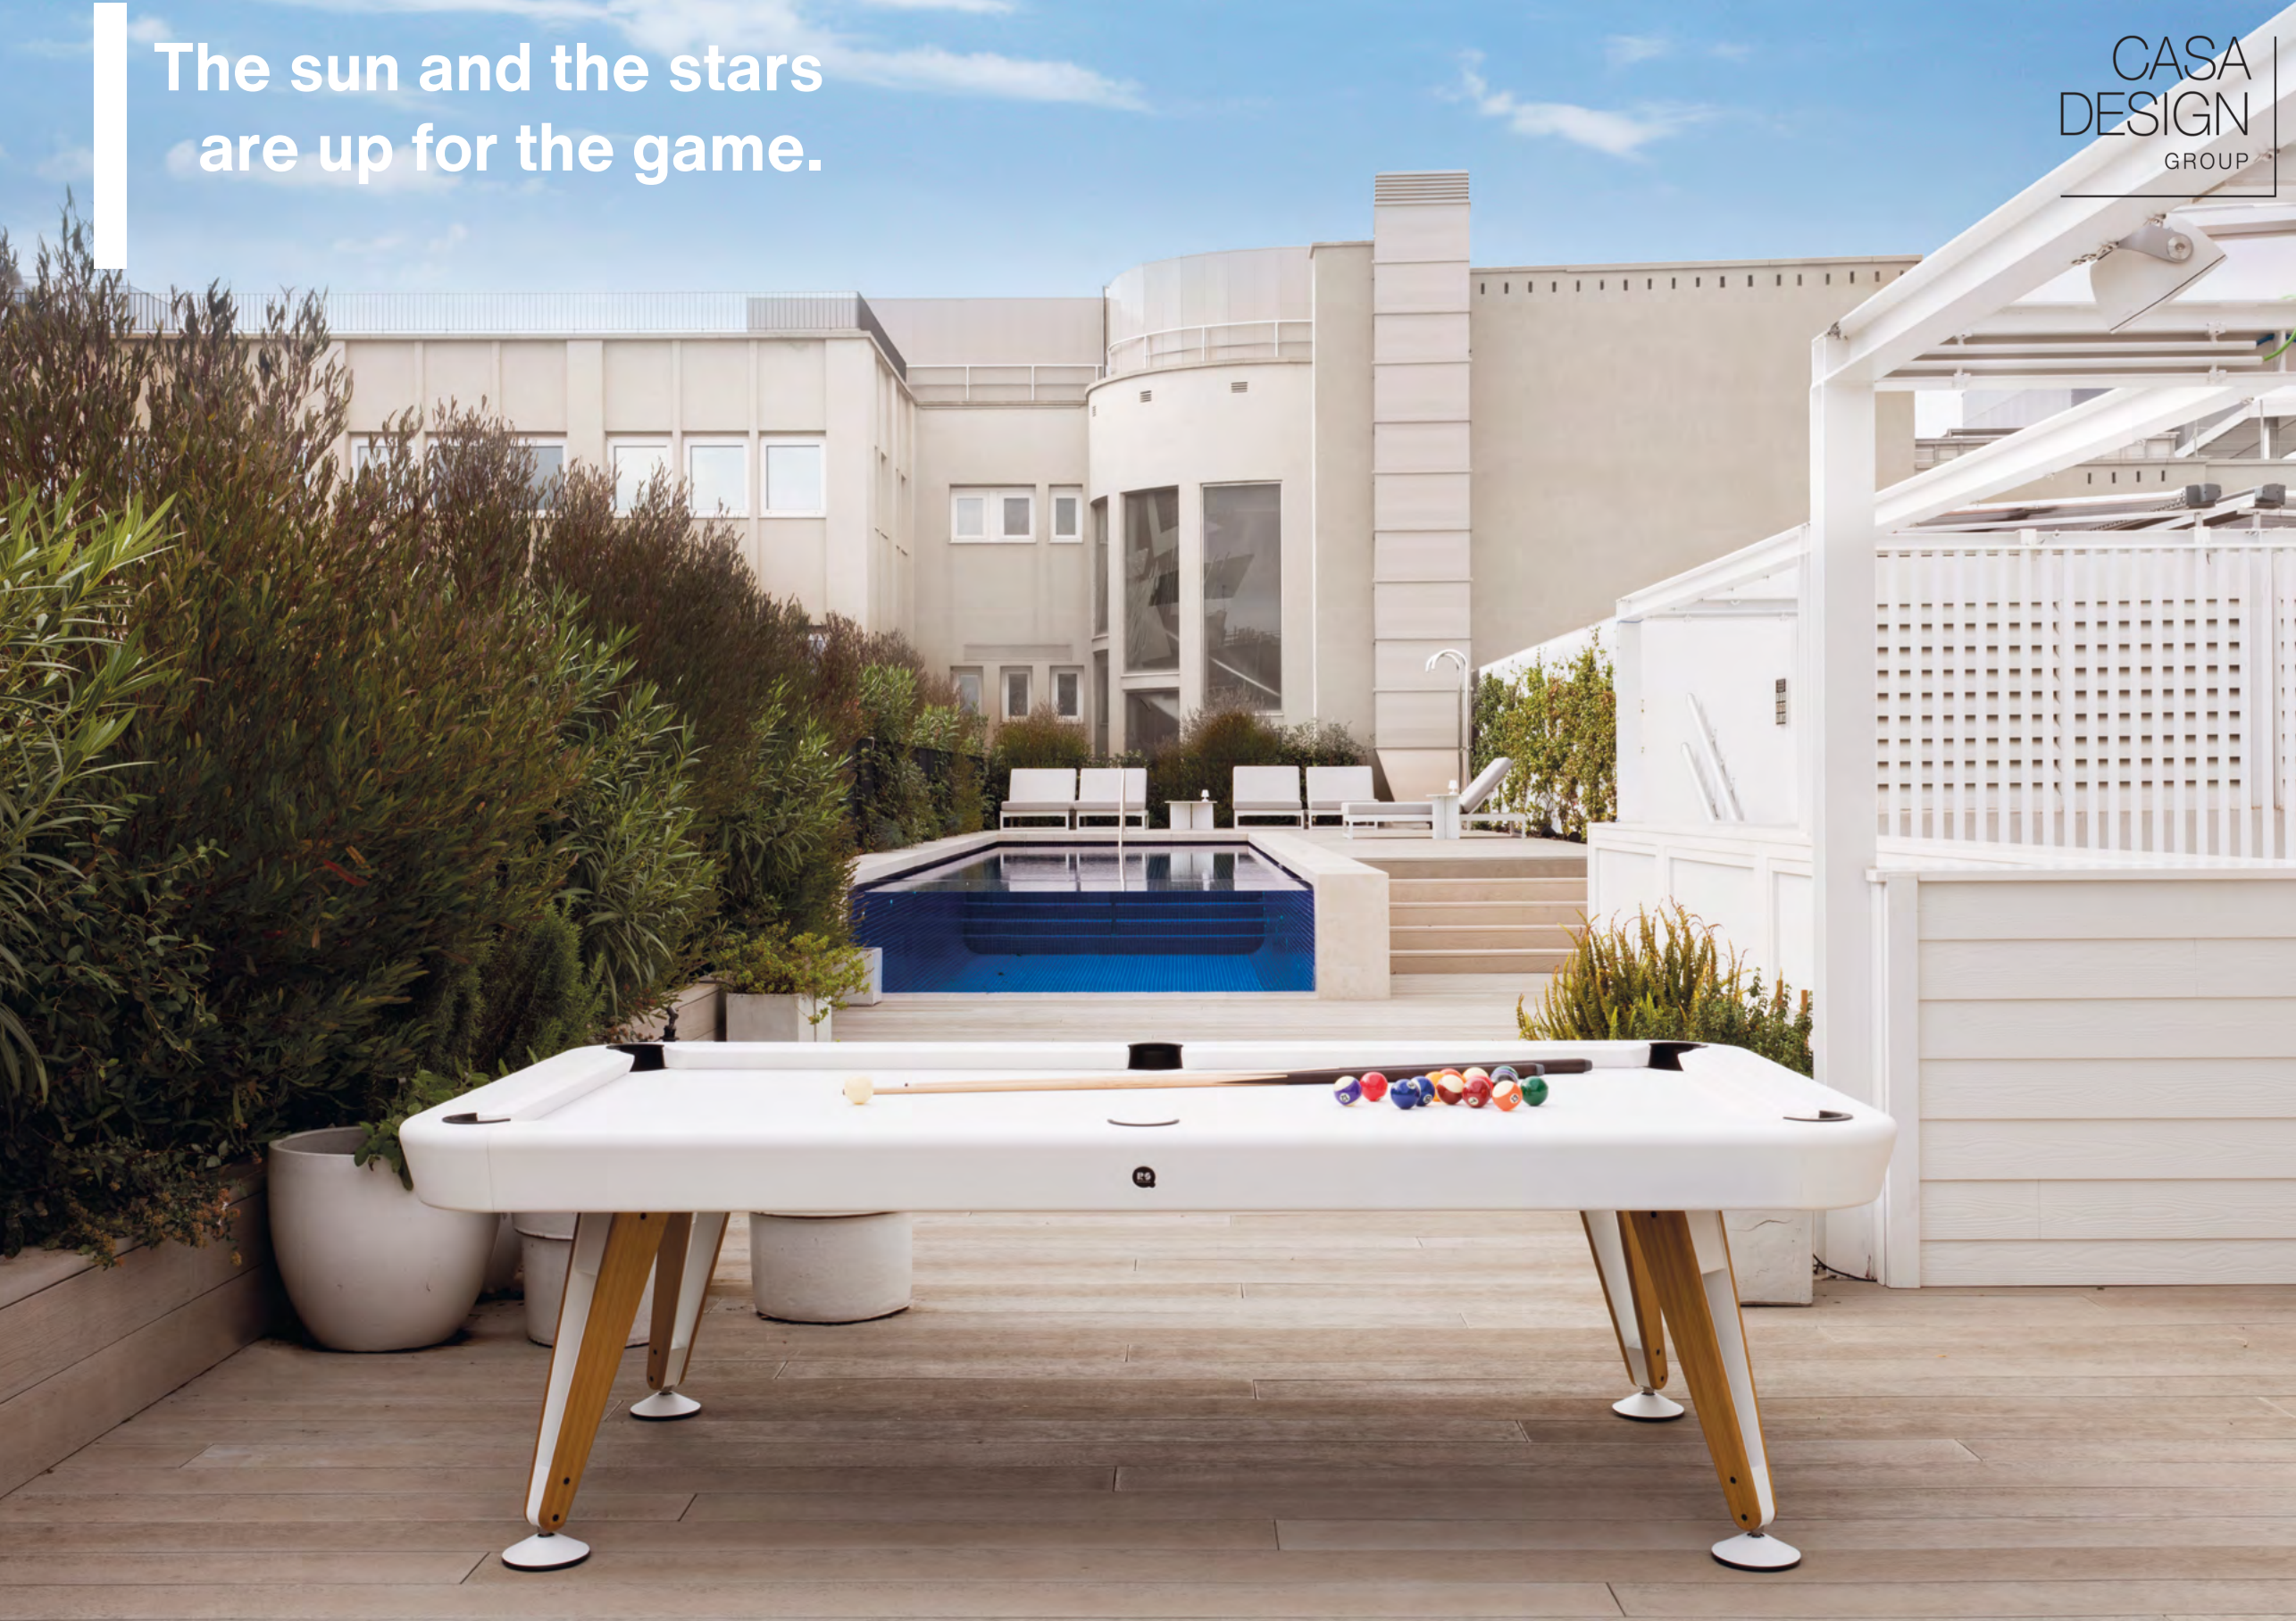

Diagonal is inspired by the perfect lines of the billiard game and by one of the main thoroughfares of Barcelona, the city where it's manufactured. And this is reflected in its design, in the simple forms and ingenious lines that give it a unique and timeless quality. Diagonal strikes the perfect balance between design and playability, and with its sleek and modern lines, it graces any outdoor setting.

Diagonal está inspirado en las líneas perfectas del juego del billar y en una de las calles que vertebraba Barcelona, la ciudad en la que se fabrica. Y eso se transmite en su diseño, en sus formas simples e ingeniosas que lo hacen único y atemporal. Diagonal consigue el equilibrio perfecto entre diseño y jugabilidad y, con sus líneas ligeras y modernas, luce en cualquier ambiente de exterior.

The sun and the stars
are up for the game.

Diagonal Indoor Pool Table · Yonoh

Just as a diagonal line crosses a space from end to end, the Diagonal pool table imbues any room with design, elegance and playful attitude. Its beauty emerges from its exquisite simplicity, the authenticity of its design and its blend of materials and colours. From sober black to bright white, striking red, subtle elegance of green or deep blue. Appeal for a game of precision and perfection.

Igual que una diagonal cruza un espacio de punta a punta, el billar Diagonal llena cualquier estancia de estilo, elegancia y actitud playful. Su belleza emana de su exquisita sencillez, la autenticidad de su diseño y su mezcla de materiales y colores. Desde la sobriedad del negro y la luminosidad del blanco, hasta la sensualidad del rojo y la elegancia informal del verde y el azul profundo. Poder de atracción para un juego de precisión y perfección.

Harmony. Order.

Mou Floor Cue Rack · Yonoh

Mou and Diagonal play together as one. The Mou floor cue rack is the perfect mate for the Diagonal pool table. It keeps all your pool accessories safe in the same place. No more leaning pool cues against the wall. No more looking for chalk in every drawer. Each accessory has its own assigned space, and there's even room for other items such as music or drinks, so your pool game can really be a chance to unwind, get away from it all, concentrate on something different, while enjoying some company and the challenge of the game.

Mou y Diagonal bailan juntos en una coreografía de complicidad. El carrito Mou es el complemento perfecto para el billar Diagonal. Permite disponer de todos los accesorios del juego guardados y ordenados. Se acabó tener los tacos de billar apoyados contra la pared. No más buscar las tizas por todos los cajones. En el carrito Mou cada elemento tiene su espacio asignado, e incluso aún hay lugar para otros objetos como tu música o tus copas, y hacer de tu partida de billar una experiencia de auténtica desconexión, evasión, concentración, camaradería y reto.
