

# Elements 005

JAIME HAYON

Inspired originally by the form of a cactus and its modular shape, the various parts of the Elements collection resemble a functional sculpture: as beautiful as the cactus, but extremely versatile in their combinations and use.

## *Detailing*

Elements 005 can be used as a pouf. A lid on the top makes Element 005 multi-functional and creates space to store objects.

## *Colours*

RAL 3003  
Ruby red
