

Ether 90 Chandelier
Patrick Jouin, 2006

Designed by the creative genius Patrick Jouin, Ether is one of the most stunning and mesmerizing designs in the Leucos Icon Collection. Ether is light and airy yet also substantial and strong. It is composed of three sizes of glass elements, each uniquely dimpled so that no two of them are the same. The result is an ether of shimmering glass and light that will dazzle and delight.

Diffuser Options: Transparent

Structure Options: Polished Steel
