

# Farniente

design : Bestetti Associati

Hammock made of fabric.

**Structure:** Trame fabric in Rope yarn, fittings in Chain Outdoor tubular knit in colours matching the fabric

**Hooking system:** stainless steel.

**Notes:**

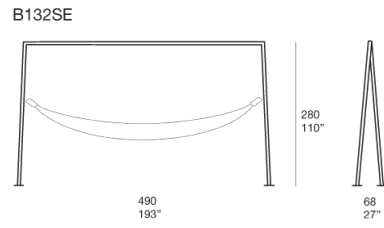

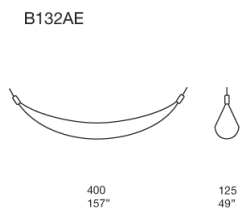

The hammock Farniente can be hanged to a specific structure made of matt or gloss varnished AISI 304 stainless steel, provided with base plates for the fixing to weight bearing surfaces.

Loose cushions are recommended for enhanced comfort.

We advise to use a Winter Set protection cover.
