

Light Lines LED Wallpaper

Meystyle

The gentle symmetry of cascading lines and lights adds a sense of harmonious and beautiful proportion to the contemporary interior. This design will work in any interior, it has a dramatic presence without imposing its style.

In daylight or night time this elegant feature is sure to brighten your space. When used as the only light the 23 LEDs provide very subtle ambient lighting around the wall in full darkness. 41 LEDs will allow you to move around an average-sized room comfortably without the need for another light source. 97 LEDs will form a dramatic feature on your wall. Please note that LEDs give dispersed light not suitable for tasks that require precise visual attention such as reading.
