

Miyabi

design : F. Rota

Wooden lounge chair.

Structure: heat-treated ash multilayer wood Aurea Optima, plastic spacers.

Weave: hand made and crafted with elastic belt in Rope yarn with a width of around 6 cm, in a colour matching the structure.

Notes:

The lounge chair can be completed by a seat pad padded with Aerelle® blue polyester fibre with a fixed upholstery in Maglia Rasata.

The structure in heat-treated ash heartwood Aurea Optima is treated to be oil and water repellent with a water-based finish that limits the absorption of liquids and greasy substances.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
