

TECHNICAL SPECIFICATION

Poltronas Showtime

JAIME HAYON
2006

COMPONENTS and MATERIALS:

ARMCHAIR AND SOFA, BACK LEG AND COVER, made of one piece in Poliethylene of medium density (MDPE).

FINISHES:

Mass pigmented version: are supplied in colours: orange, sand, grey-blue and white (indoor and outdoor use).

Lacquered and upholstered version: the pieces are gloss lacquered.

GLOSS: white 04 (RAL 9003), red 07 (RAL 3001), blue 09 (RAL 5002) and black 10 (RAL 9005).

UPHOLSTERY: Not removable. A variety of materials for upholstery are available from BD's selection.

ANTI-SLIP GLIDES in grey (RAL 7005) are fixed mechanically in the extreme parts of the feet in EPDM (70sh.).

THE JOINTS AND TOOLING between the seat and cover are made in stainless steel.

THE INTERIOR LITTLE CAPS for the cover are made of polyethylene in the same colour as the cover.

DIMENSIONS and WEIGHTS:

Armchair 790 x 720 x h.950 mm / 13 kg

Armchair with cover 900 x 820 x h.1689 mm / 38 kg

Sofa 1450 x 730 x h.950 mm / 22kg

CLEANING-MAINTENANCE:

The surface of furniture finished in tinted polythene (in colours orange, beige, grey-blue and white) must be cleaned with a damp cloth. Use only water and a PH neutral liquid detergent.

Detergents with any of the following contents must not be used: acetone, trichloroethylene, ammonia, ethyl alcohol or any other substance with a low PH. Cleaning products must always be neutral or else, chemical products used may cause fading or variations in colour. Furniture finished in varnished, tinted polythene (with or without upholstery) must always be cleaned with a damp cotton cloth. Use only water and neutral PH soap. Alternatively, use an ecological cleaning flannel/cloth, usign the same treatment as above and dry with a cotton cloth.

Do not use, under any circumstances, other products not recommended above as this would seriously damage the varnished finish.

PACKAGING:

The armchair with cover always will be supplied assembled. Every article will be delivered packed into a triple-layered cardboard box reinforced with Styrofoam.

TESTS:

The armchairs and sofa are certified in accordance to the norms: **UNE-EN1022-96, UNE ENV 581-2:00, UNE 11012:89, UNE 11021-92 "Home furniture. Seatings. Determination of stability" UNE-EN ISO 4892-2:00 Plastics.**
