WOOD FINISHES

Coco Wolf furniture pieces are constructed using the very best modern materials to ensure they deliver maximum durability, whatever the weather. Our preferred choice of wood for frames and legs is Iroko, a hardwood renowned for its strength and extreme durability. It flexes with humidity and temperature, minimising the potential for cracking or splintering. It is naturally resistant to decay and is commonly used in demanding marine environments.

IN/OUTDOOR FABRICS

The team at Coco Wolf has curated an exclusive selection of performance fabrics that perfectly complement furniture collections and incorporate advanced fabric technology so it can remain outside all year around.

Fabrics are chosen specifically to suit both contract and residential applications, transforming terraces, gardens, pools, yachts and living areas – indoor and out – into exceptional spaces. Our goal is to create furniture that looks the part, season after season.
