

Pli

design : B. Lejoly

Stackable chair and armchair.

Structure: stainless steel AISI 316, gloss-varnished (reference colours: Mano Lucida wood sample collection) and provided with elastic belts; plastic spacers.

A single padded element acts as seat, back and armrest.

Padding: Aerelle® blue polyester fibre, polyurethane insert, fixed foam covering in waterproofed polyester.

Upholstery: removable and available in a selection of fabrics in the collection.

Notes:

Chair and armchair can be stacked after removing the padding, that can be stored flat thanks to the integrated zippers.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
