

Astra 002 Lounge Chair High Backrest

Design Rodolfo Dordoni

Technical Information

CASA
DESIGN
GROUP

An elegant collection of reclining furniture, on wheels, dedicated to starry skies: lets you dream and change perspective with a gesture. Astra's design plays on the juxtaposition of solid tubular stainless steel and cotton-feel ropes to give a fresh, light and comfortable combination to two lounge armchairs - with high or low backs - and a three-seater sofa. A feature of the range is the armrest of the seats, formed by a double cylinder covered with cords.

TECHNICAL INFORMATION

DESCRIPTION

Lounge chair high backrest for outdoor use.

STRUCTURE

Powder coated aluminium.
