

Double 036 Pouf

Design Rodolfo Dordoni

Technical Information

DOUBLE is a collection is composed of poufs of different sizes and a sunlounger, all characterized by a "total outdoor" padding, to offer an extremely welcoming softness. DOUBLE poufs are very crossed-over complementary items, used to give a touch of freshness to every context, in and out, private or contract, creating playful variations of dimension, height and colour. A soft draining multiply padding, covered with a 3D net available in several colours, characterized the poufs: they may be presented "undressed", in their mesh-like skin, or be "dressed" in fabric, choosing an upholstery cover from a sumptuous selection of RODA's fabrics.
