

Eolie 012 Coffee Table

Design Gordon Guillaumier

Technical Information

Like an archipelago of elements, designed and developed around the juxtaposition of a wide iroko wood slat. The Eolie collection boasts a refined, precise and essential design. A distinguishing feature is the freedom to pick and choose amongst its components: sun loungers, tables and gazebos, to be enjoyed by the pool, boat or seaside. In these enclaves of comfort, the choice of colour – both of wood and upholstery – becomes a further variable: the wood is either natural or painted in three desaturated variants, with the grain visible; there is a wide choice of colours in the fabrics for the cushions, which are available in two sizes in addition to the thicker armrest.
