

# RS#3

by RAFAEL RODRÍGUEZ

Finally, a football table for everyone. The RS#3 lets you enjoy the same sensations as its bigger cousin the RS#2 but with new features.

It's all-terrain: the same model for indoor and outdoor.

Its new lines and legs make it lighter (20 kg less than RS#2). But without losing strength and stability.

It introduces more colours to the RS# range.

RS#3 comes in white, red, blue, yellow and black to add a touch of colour to every match.

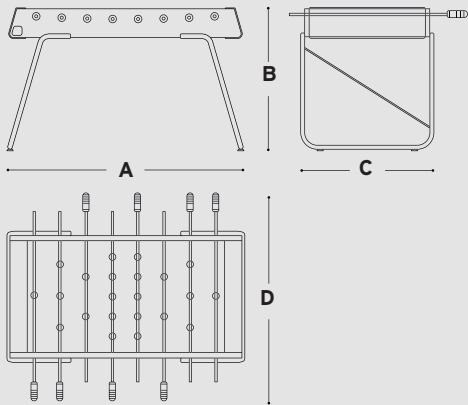

Each colour comes with standard teams (green, yellow, blue, red ...).

*“RS#3. All-terrain.  
Lighter. More colorful.  
More economical.”*
