

Smile

design : F. Rota

Pouf-container.

The Smile series also includes an armchair and a two-seater sofa.

Structure: thermoformed plastic material complete of spacers.

Padding: stress resistant polyurethane foam, fixed foam cover in water repellent polyester, additional fixed foam cover in black polyester three-dimensional fabric.

Upholstery: removable and available in Aero fabric.

Notes:

The pouf/container can be produced in Aero fabric in two different colours, one for the container, the other for the seat, which acts as a lid.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.

Awards: Smile won the MIAW, Muuz International Design Awards 2014 as one of the most innovative product in 2013.
