

Statistocrat Floor Lamp

ATELIER VAN LIESHOUT

The floor lamp's lean aluminium body is really multifunctional with its towering two meters and all-embracing light beams, the tallest shade projecting light towards the ceiling while the wider shade acts as the perfect reading lamp. And what about the two other shades? The lowest is no shade ... but a surprisingly useful side table. Perfect to support a laptop or your favorite drink, it's always in the spotlight!

Detailing

Statistocrat features Joep van Lieshout's signature raw weld finish.
