

Toku

design : V. Van Duysen

Wooden benches with seating area in wood or covered with fabric.

Toku series also includes shading structures made of wood and fabric available in two dimensions, sun bed and trays.

Structure: cedar heartwood, adjustable plastic material feet.

Seating panel:

- cedar heartwood slats
- marine plywood, internal fixed cover in three-dimensional polyester fabric.

Marine plywood upholstery: fixed and available in Wara fabric.

A seat pad is necessary for complete seating comfort.

Seat pad: removable, in expanded polyurethane, fixed foam cover in water repellent polyester.

Seat pad upholstery: removable and available in Luz, Rope T, Brio, Thea or Wara fabric.

Notes:

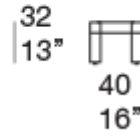

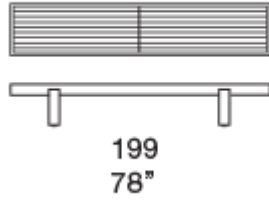

The structure in cedar heartwood is treated with a natural impregnating product.

We advise to use a Winter Set protection cover.
