

Zio Dining Table

MARCEL WANDERS STUDIO

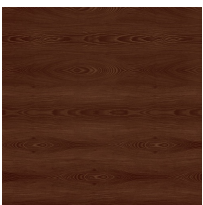

In most households the table is the central piece of the dining room, the heart around which families gather, entertain and relax. Many special memories revolve around its steady presence. With their graceful look and refined details, the Zio tables by Marcel Wanders studio bring a touch of style to any moment.

Detailing

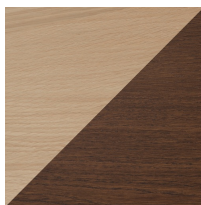

The Zio Table unites the strong, yet light look of stained natural oak with the beauty of organic shapes, finished off with straight modern cuts.
