

Molteni & C

ALLURE — MATTEO NUNZIATI 2013

1—
2

The Allure armchair is the result of a search of balance and proportion between component parts. The result is a sinuous, clean and sophisticated, though discreet, line with slender profiles and decisive lines. The armchair's limited size and finishings make it suitable for both home use and for furnishing common spaces in hotels, suites or serviced apartments.
