**TECHNICAL INFORMATION**

Altea Sofa is a dual-function transforming system with a foldaway intermediate bed, also available with a single bed, with the patented CF09 slatted bed base and patented sofa, which transforms into the night-time version with a simple movement: the backrest cushions are removed and as the bed is opened, the sofa tilts backwards and slots in underneath the bed.

The system features a fold-down opening mechanism and safety device that prevents accidental opening and closing.

Tilting mechanism with gas springs and device that cushions movements, completely contained in the side of the structure, thanks to patented technology and special manufacturing.

The sofa features seat padding made of graduated non-deformable foam upholstered with dacron bonded with cotton cloth. The backrests are padded with piumafill and upholstered with cotton cloth removable covers with French stitching.

Available with two types of armrest in different sizes (W 4 cm and 16 cm).

Altea Sofa is self-supporting.

Wooden structure with adjustable nylon feet.
