

## Equinox

Tacchini

## Product Type **Hanging Light**

A dense, almost mysterious light is filtered through soft and enveloping materials. Luminosity and transparencies fluctuate, creating repetitions of lights and shadows, solids, and voids. Inspired by Object Art and in particular by the works of Enrico Castellani, these elegant fibreglass sculptures – Solstice applique – and Equinox cocoon-suspension lamp – reinforce the strong understanding between Tacchini and Studiopepe.

Cod. OEQU102  
Ø 67 H 102 cm

Cod. OEQU90  
Ø 63 H 90 cm
