

Groove

Architect Mauro Lipparini designed the elements of the system with a focus on the linear, graphic purity created by the wooden modules that form the drawers, sides and top, resting on a metal structure that serves as a base. The simple geometry of the modular elements emphasises their practical

function: this is mainly the case with the grooves on the front section, which are particularly highlighted by the design and serve as handles without being visible.

Data sheet

Bedside table with one drawer

Width: 52cm

Depth: 46cm

Height: 42cm

drawers

Width: 70cm

Depth: 46cm

Height: 51cm

Drawer chest

Width: 130cm
