## TECHNICAL INFORMATION

Transforming modular system with a foldaway horizontal single bed with the patented CF09 bed base, reclining headboard and patented sofa integrated with the bridge wardrobe element with sliding doors, available 220 and 256,1 cm high.

The system features a fold-down opening mechanism and safety device that prevents accidental opening and closing.

Tilting mechanism with gas springs and device that cushions movements, completely contained in the side of the structure, thanks to patented technology and special manufacturing.

Kali Ponte Sofa transforms into the night-time version: the backrest cushions are removed and as the lower bed is opened, the sofa tilts backwards and slots in underneath the bed.

The sofa is available with two types of armrest in different sizes (W 4 cm and 16 cm).

Seat padding made of graduated non-deformable foam covered with dacron bonded with cotton cloth. The backrests are padded with piumafill and upholstered with cotton cloth

Removable covers with French stitching.

The system can be free-standing or integrated with elements in the Living & Young System programs.

Kali Ponte Sofa is self-supporting.

Wooden structure with adjustable nylon feet.
